Attorney Docket No. 4544-062454

REMARKS

Claims 11-24 stand rejected as indefinite and claims 15-25 have been allowed. In view of the Amendments to the claims and remarks below, reconsideration and withdrawal of these objections and rejections is respectfully requested.

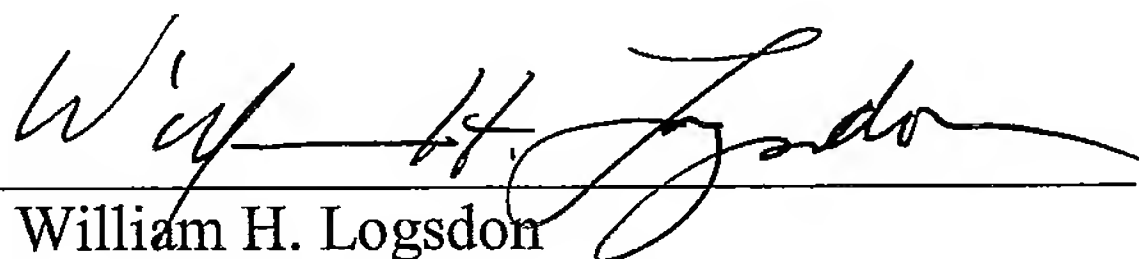

Claims 11 has been objected to as being indefinite. The Applicants have adopted the Examiner's suggestion of replacing "*a glycolipid*" with "*said glycolipid*". Accordingly, withdrawal of this objection is respectfully requested.

The Examiner has objected to the oath or declaration as being defective because the second inventor's surname is incorrect. Accordingly, we attach a new signed declaration correcting the co-inventor's surname to "Tiwari".

In view of these amendments, Applicants respectfully request that claims 11-14 be allowed.

Respectfully submitted,
